

S.T.E.P's Developmental Academy, Inc.

Where All S.T.E.P's Lead To Success.

S.T.E.P's (Success Through Experience and Play) Developmental Academy, Inc. was established in April 2003 to assist typically developing children, children with developmental disabilities, and their families achieve the most out of life.

It is S.T.E.P's goal to provide excellent educational and childcare services that address all the needs of the child and family. At S.T.E.P's, children (between the ages of two years through 12 years) receive the highest level of care from qualified and highly trained educators.
